

The logo for Kashogama Pottery School is a circular emblem. It features a central vertical column of stylized Japanese calligraphy. This column is surrounded by several concentric circles, some of which are broken or incomplete, creating a sense of movement and depth. The overall design is traditional and artistic.

## Creating Your Very Own Ceramic Ware

Let's create one-of-a-kind piece with your very own hands!

Our clay is specially formulated here at Kashogama.

Enjoy and appreciate the beauty of pottery using the potters' wheel.
